Overview

2026 will see substantial changes to the funded business support landscape in the Hull and East Yorkshire region. With the end of UK Shared Prosperity Funding in March 2026, many business support and funding programmes have reduced in scope or come to an end.

However, there have been a number of recent changes to the business support and funding landscape in the region. The continued growth and development of the Hull & East Yorkshire Combined Authority (HEYCA) will bring changes to the business support and funding offer in the region, with the HEY Growth Hub having transferred to the MCA on 1st April 2026.

The launch of the Local Growth Fund (LGF) in 2026 means that new business support and funding programmes have replaced those formerly funded by UKSPF. Furthermore, the launch of government's Business Growth Service in 2025 has led to new, nationally delivered, business support programmes which will continue to evolve.

The Hull & East Yorkshire Combined Authority, and its Growth Hub, are keen to ensure that all businesses, support organisations, advisors and intermediaries are aware of the range of support and funding that is currently available in the region. This is to ensure that businesses are aware of and can quickly and easily access the support and funding that they require; to avoid duplication of provision; and to ensure seamless and effective cross-referrals of client businesses between support agencies and schemes.

This business support handbook provides a summary of the currently available business support and funding programmes in the Hull & East Yorkshire region. All listings are publicly funded programmes, or organisations and schemes that are non-commercial and/or not for profit. All information contained within this handbook was correct at the time of writing. The handbook will be continuously updated over time and new versions will be issued as and when required.

Should you have any feedback, questions, or comments about this handbook, please get in touch with the HEY Growth Hub team at growthhub@hullandeastyorkshire.gov.uk.

The HEY Growth Hub team

HEY Growth Hub

Project Sponsor: Hull & East Yorkshire Combined Authority

Launch Date / Status: Live

End Date: March 2029

Target Business Stages: Pre-Start, Start-Up, Established, Scale-Up

Geographic Coverage: Hull & East Yorkshire

Support Available

HEY Growth Hub, is part of the Hull and East Yorkshire Combined Authority (HEYCA) and provides businesses with quick and easy access to local and national business support, resources and funding to support their growth.

Part of the Growth Hub network in England, the Growth Hub is funded by the government Department for Business and Trade (DBT) and seeks to streamline the support and funding available to businesses in Hull and East Yorkshire, making it easier for business owners to concentrate on growing their business.

The Growth Hub has a team of experienced and impartial business advisors, with some advisors based within the two Hull & East Yorkshire local authorities, thus ensuring a joined-up approach to business support in the region via a 'hub and spoke' delivery model.

The Growth Hub website is a valuable source of business information, guidance and resources, and is updated on a regular basis. The website also contains a business support directory where businesses can search for currently available support and funding in a quick and easy to use way.

For details on further support / services available from HEY Growth Hub, please view:

- Made Smarter Yorkshire & Humber (page 16)
- Hull & East Yorkshire Manufacturers Network (page 18)

Eligibility Information

The Growth Hub can support any business based within Hull & East Yorkshire, regardless of size, sector or maturity.

Please note that some eligibility criteria may exist for specific Growth Hub Programmes, such as Made Smarter. Please find these details in the listings below.

Invest Hull – Supporting Business Growth

Project Sponsor: Hull City Council

Launch Date / Status: Live

End Date: Ongoing

Target Business Stages: Pre-Start, Start-Up, Established, Scale-Up

Geographic Coverage: Hull

Support Available

A range of business support is available via the Invest Hull – Supporting Business Growth Programme. The core offer consists of free, impartial, one-to-one business support, utilising the extensive experience of our in-house delivery teams. The programme incorporates delivery across several Council teams including Enterprise Development, Employment Hub, Youth Enterprise, Managed Workspaces, Major Projects, Visit Hull & East Yorkshire (VHEY) and Hull Culture & Leisure (HCAL).

Information, Advice & Guidance

In addition to the range of knowledge available via our delivery teams, support is available to access web-based resources, workshops and webinars, templates for business planning and financial forecasts, including the unique offer from the Business & Intellectual Property Centre (BIPC) via HCAL.

Grants

- **Revenue grants - for existing businesses.** Grants will be available at 50% of eligible identified expenditure subject to a minimum grant of £1,000 and a maximum grant of £2,500.
- **Startup grant - for pre-start individuals.** Start-up grants are available up to a maximum of £500 to cover reasonable costs involved in starting the business and subject to a successful application.

Workshops

An extensive programme of workshops has been developed in partnership with East Riding of Yorkshire Council (ERYC) covering topics such as social media for business, human resources, manufacturing and process improvements, sales and marketing, and carbon reduction. All future workshops can be found on the events page on our Invest Hull website.

Youth Enterprise - Test Market Grants

The Youth Enterprise and Micro Business team delivers youth entrepreneurship programmes which support young people aged 16-29 who want to run their own business. Working with the John Cracknell Youth Enterprise Bank, they can support aspiring young entrepreneurs with business training, test market grants (to support test trading in their first year or a new business idea), and mentoring.

All grant applications must be prepared with the support of an HCC Business Advisor (direct applications will not be accepted).

Eligibility Information

Provision is available to Hull businesses, tailored to business needs focusing on pre-start, start-up and growth support. All business types, sizes and sectors, including third sector/social enterprises can access support, however some elements such as grant schemes may have more focused criteria.

Invest East Yorkshire – Business Support Services

INVEST EAST YORKSHIRE

Project Sponsor: East Riding of Yorkshire Council

Launch Date / Status: Live

End Date: Ongoing

Target Business Stages: Pre-Start, Start-Up, Established, Scale-Up

Geographic Coverage: East Yorkshire

Support Available

Offering a comprehensive range of services, the team directly supports all types of businesses from across the East Riding. Whatever stage your business is at support is directly tailored to your individual business needs giving access to the relevant services required to help you thrive.

The services include:

1-2-1 Advice - Whether you are considering starting a business or already established, our highly experienced and knowledgeable team of advisors understand how complex business can be. Offering a variety of expertise against many business disciplines and sectors the team collectively work together to ensure you have access to the most appropriate knowledge and experience the team have to offer, including accessing other internal departments and procuring specialists where required. Every business is different, and your personal nominated business adviser will work with you to understand where you are in your journey and what your specific needs and challenges are to support you to grow and develop.

Grants

- **Revenue grants - for existing businesses.** Grants will be available at 50% of eligible identified expenditure subject to a minimum grant of £1,000 and a maximum grant of £2,500.
- **Startup grant - for pre-start individuals.** Start-up grants are available up to a maximum of £500 to cover reasonable costs involved in starting the business and subject to a successful application.

Workshops and events – From business intelligence & insight that is gathered by our team of business advisors, events are considered, designed, and delivered to meet the current needs of our business community.

A wide range of workshops, sector events, networking are consistently available giving you access to everything from starting a business and business planning, to specific business disciplines such as marketing and HR compliance through to being introduced to business opportunities through different meet the buyer events.

Signposting - Understanding the wider business support landscape, we work closely with other services and partners to ensure that as a business, you get the appropriate support, advice, or funding from the most relevant source. Where required, we also directly contract with specific business or sector specialists to complement our existing services to deliver workshops, resources, and advice.

Resources – As well as working with the team you also have access to The Invest East Yorkshire Resource Portal a one-stop-shop where you can find a variety of useful information, articles, videos, tools, and templates to support your business growth (see page 41)

In addition, you can access **The Supply Chain Network** (see page 23), a free business directory and opportunities map managed by the team. Where you can showcase your products and services, identify suitable companies to collaborate with, increase your visibility, and generate new enquiries. In addition, through the opportunities map you can search for additional pipelines of opportunities or look for a supplier yourself by posting opportunities on the free and easy to use platform.

For details on further support / services available from Invest East Yorkshire, please view:

- Invest East Yorkshire – Inward Investment (page 30)
- Invest East Yorkshire – Business Centres (page 31)
- The Supply Chain Network (page 23)
- or visit investeastyorkshire.co.uk

Eligibility Information

Support is available to all East Riding residents and businesses, as well as businesses planning to set up a new firm in the East Riding. Further eligibility for specific services such as grants are subject to the type of business and project in question and can be discussed with members of the team.

Made Smarter Yorkshire & Humber

Project Sponsor: Hull & East Yorkshire Combined Authority
Launch Date / Status: Live
End Date: March 2027
Target Business Stages: Established, Scale-Up
Geographic Coverage: Hull & East Yorkshire

MADE SMARTER

Support Available

Made Smarter is a government funded programme to drive growth amongst UK manufacturers via increased adoption of industrial digital technology. Made Smarter was formed following a review of UK manufacturing that recommended faster implementation and adoption of industrial digital technologies. Made Smarter will boost the digital skills of industry leaders, bringing businesses and research development together to develop new technology, and helping makers embrace new digital tools.

There are many benefits that investment in technology can bring to your business. Reducing inefficiencies and cutting waste, increasing your sales growth and new market opportunities, overcoming capacity and resource issues, boosting your competitiveness, and increasing resilience, agility and innovation.

If you're a manufacturer in Hull and East Yorkshire, speak to our Made Smarter Digital Transformation Specialist today to enrol onto the programme. The support available includes:

- **Digital Roadmaps** – a bespoke digital transformation audit and roadmap for your business.
- **Capital Expenditure (Capex) & Intensive Technology (ITG) grants** – match funded grants to contribute towards the capital costs of new digital solutions such as specialist hardware & software.
- **Leading Digital Transformation** – management development training that equips business leaders and digital champions with the skills they need to drive digital transformation in their firms.
- **Digital Internships** – 3 month funded graduate / post graduate placement within the business to support digital adoption projects
- **Industry 4: 0 Workshops** – free workshops aimed at 'demystifying' industry 4.0 digital solutions

Eligibility Information

To access Made Smarter, a business must:

- Be a manufacturing business (based on SIC code)
- Must meet the definition of a Small or Medium Enterprise (SME)
- Must have a trading address within Hull & East Yorkshire

Growing Places Fund

Project Sponsor: Hull and East Yorkshire Combined Authority

Launch Date / Status: Live

End Date: Ongoing

Target Business Stages: Established, Scale-Up

Geographic Coverage: Hull & East Yorkshire

Support Available

The Growing Places Fund (GPF) supports businesses from a wide range of sectors, who are continuing to underpin a vibrant local economy in both Hull & East Yorkshire, and are looking for capital grants and/or loans for capital expenditure.

Grants of between £5,000 and £250,000, and loans of between £75,000 and typically up to £250,000 are available to eligible organisations, so that they can invest in the things they need to help their businesses grow. The grants are for capital expenditure only; revenue costs are usually unable to be funded.

Businesses applying will need to demonstrate profitability, that the project is viable and ready to proceed. Applicants may also wish to consider potential additional benefits such as how their project may contribute to the wider clean growth and carbon reduction targets of Hull and East Yorkshire.

Eligibility Information

The GPF investment and associated outputs must be within the Local Authority areas of Hull and the East Riding of Yorkshire. Only incorporated businesses are eligible to apply to the fund.

Please note that the eligibility of any organisation is subject to UK Subsidy Control criteria.

HEY Manufacturers Network

Project Sponsor: Hull & East Yorkshire Combined Authority
Launch Date / Status: Live
End Date: Ongoing
Target Business Stages: Start-Up, Established, Scale-Up
Geographic Coverage: Hull & East Yorkshire

Support Available

The Network supports the growth and prosperity of the Hull and East Yorkshire manufacturing sector, by bringing together manufacturing firms to share best practice, develop knowledge, champion the sector, and raise awareness of trading challenges and issues. The Network currently has over 25 active member businesses, and continues to grow.

Membership is free of charge for any business engaged in manufacturing in the Hull & East Yorkshire region, and the Network welcomes firms from a variety of manufacturing sub-sectors including fabrication, tooling, chemicals, food & drink, leisure home & caravan manufacture, and much else besides.

The network has a rolling programme of monthly events which includes:

- Workshops covering process efficiency, resource efficiency, workforce development, and more
- Behind the scenes 'Industry Insight' visits to regional manufacturing firms
- Symposium style events covering topics such as recruitment and skills, industrial digital technology, and net zero
- Networking events

The network also operates a bi-monthly newsletter featuring updates from the world of manufacturing and business support. The network is also planning to develop a membership directory to support networking between regional manufacturing firms.

Eligibility Information

Any manufacturing business based within Hull and East Yorkshire is able to join the network and attend its events. Unless specifically invited, organisations other than manufacturing firms are not permitted to join the network or attend events, including professional services firms, business consultants, recruitment consultants, and training providers.

Yorkshire Regional Defence & Security Cluster (RDSC)

Project Sponsor: Yorkshire Mayoral Combined Authorities, the MoD and UKDI

Launch Date / Status: Launches June 2026

End Date: Ongoing

Target Business Stages: Start-Up, Established, Scale-Up

Geographic Coverage: Hull & East Yorkshire

Yorkshire
Regional Defence
& Security Cluster

Support Available

Supported by the Ministry of Defence (MoD) through UK Defence Innovation (UKDI) and overseen in partnership with the four Yorkshire Mayoral Combined Authorities, the Yorkshire Regional Defence and Security Cluster (YRDSC) fosters collaboration, accelerates innovation, and helps businesses to bring new ideas to market through practical support and commercialisation.

Following launch in June 2026, the YRDSC will:

- Provide a clear overview of regional capability, including business, universities, specialist facilities, and enabling assets, to improve regional, national and international visibility and engagement
- Facilitate better access to national demand, customer chains, end-user needs and challenge-led opportunities from the MoD, UKDI, the Defence & Security Accelerator (DASA) and prime contractors, offering stronger routes to market and clearer pathways for exploitation, commercialisation and pull-through into real-world capability.
- Offer practical support to members through market intelligence, sector analysis, awareness-building, Q&A, skills, workforce and talent pipeline development, recruitment awareness, and guidance on security, accreditation and operating in the defence ecosystem.
- Become a platform for knowledge exchange, mutual support and collaboration across the region and with other regional RDSC clusters, with improved access to regional R&D, specialist facilities and enabling infrastructure, together with better visibility of investment and funding opportunities.

Eligibility Information

Any business based within Hull and East Yorkshire that already works with, or supplies into the defence and security sector - or that wishes to do so - can apply to become a member of the cluster via the website. Membership is free, but subject to verification by the cluster management team for verification purposes.

Export Support from the Department for Business & Trade

Project Sponsor: UK Government
Launch Date / Status: Live
End Date: Ongoing
Target Business Stages: Start-up, Established, Scale-Up
Geographic Coverage: Hull & East Yorkshire

Department for
Business & Trade

Support Available

The Department for Business and Trade (DBT), the UK Government's department for economic growth, has the right support available for your business to sell internationally, no matter where you are on your export journey, and take advantage of global demand.

For the first time, DBT has integrated its business support in a single, accessible place – the Business Growth Service. This is designed to help businesses across the UK start, scale and succeed globally. Through tailored market advice, free Business Academy training, UK Export Finance, and our global network, we are making it easier for businesses to navigate global markets, seize opportunities, and build resilience.

Developing your knowledge is key to successful trading, so why not have a look at the many events we run, or see if an overseas trade mission could help you accelerate your growth by connecting you directly with international buyers.

Check out the step-by-step guides to exporting on [business.gov.uk](https://www.business.gov.uk) along with the country factsheets featuring key information for your initial research.

Eligibility Information

Any business looking for support to export.

The Supply Chain Network

Project Sponsor: East Riding of Yorkshire Council
Launch Date / Status: Live
End Date: Ongoing
Target Business Stages: Established, Scale-Up
Geographic Coverage: Hull & East Yorkshire

The Supply Chain Network

Support Available

The Supply Chain Network (TSCN) has been developed to support our regional business community by showcasing their products and services to a wider market as well as encouraging and supporting a more local supply chain.

Through three main tools, The Supplier Directory, The Opportunities Map and The Supply Chain Promise, TSCN aims to promote new private and public sector work opportunities, encouraging businesses to commit to, where possible, using local and regional suppliers when sourcing goods and services for their business by promoting their opportunities directly to a regional supply chain.

Working alongside Local Authorities, the HEY Growth Hub and other key partners in the region we are committed to developing our local economy by supporting the growth of your business with TSCN being a key tool. By giving you free access to a business directory and an opportunities map, we are not replacing your own procurement processes but enhancing your reach to potential new markets and customers as well as having a platform to increase your opportunity to find a wider supplier pool.

Register your business with The Supply Chain Network to:

- 1) Showcase your company's products and services
- 2) Increase your visibility
- 3) Help identify new suppliers
- 4) Generate enquiries
- 5) Receive alerts on opportunities in the sectors or disciplines you are interested in
- 6) Browse and search the map for new contracts.
- 7) Promote your own supplier opportunities

Take 'The Supply Chain Promise' to:

- 1) Drive down costs for your business, by working with local producers and suppliers where possible
- 2) Appeal to a wider market of potential suppliers who understand that you are committed to buying locally where possible
- 3) Improve or cement your reputation with your customers, staff and suppliers, as an ethical business
- 4) Demonstrate your consideration of environmental and social impacts, and your commitment to making a positive difference.

- 5) Use of The Supply Chain Promise Badge symbolising to other companies and organisations a commitment to these shared values.

Don't miss the opportunity to be seen by local, regional, national and international companies who have signed up to support the growth of their regional supply chains.

Register now for FREE and complete your business listing by visiting: www.thesupplychainnetwork.co.uk

HEY Resource Portal

Project Sponsor: East Riding of Yorkshire Council
Launch Date / Status: Ongoing
Target Business Stages: Pre-start, Start-Up, Established, Scale-Up
Geographic Coverage: Hull & East Yorkshire

Support Available

The Resource Portal is a free tool for those who are seeking resource materials or guidance to help with their business. Operated by East Riding of Yorkshire Council on behalf of HEY Growth Hub and Hull City Council, the portal is available to all businesses across Hull & East Yorkshire.

The Resource Portal has 6 main categories of resource:

- ❖ Start Ups
- ❖ Business Finance & Legal
- ❖ Business Planning & Strategy
- ❖ Operations
- ❖ Sales & Marketing
- ❖ New Product/Service

Resources range from; templates, guides, hints & tips, videos, external links - all covering topics on cashflow, business planning, social media, marketing, tax returns and much more!

Through setting up notifications on the portal, you can follow categories that interest you and be updated via email when new resources are added in your areas of interest. You can also save useful resources in your 'Favourites', and your dashboard will be tailored to the types of resources that you are interested in.

Eligibility Information

The resource portal can be accessed by anyone at any business stage; from established business owners to those thinking of starting a business. Any business or individual based in Hull and East Yorkshire can access the Resource Portal.

You must register a user account to access the resources available on the portal; however, it is **FREE** to sign up.

Help to Grow: Management

Project Sponsor: University of Hull
Launch Date / Status: Live
End Date: Ongoing
Target Business Stages: Established, Scale-Up
Geographic Coverage: Hull & East Yorkshire

Support Available

Help to Grow: Management Course is designed to boost the performance and resilience of businesses.

Designed and delivered by entrepreneurs and industry experts at world-class business schools, this leadership course will provide participants with time away from the challenges of running a business to invest in leadership, and to learn how to take their business to the next level.

The course runs over 12 weeks and includes online and face-to-face sessions, 1-to-1 mentoring and peer networking. With just one session a week, it is designed to fit around existing work and personal commitments. Participants will finish the course ready to lead on the delivery of increased profitability, innovation, and growth. Throughout the course they will:

- Develop leadership skills across all areas of business including strategic planning, employee engagement, finance and marketing.
- Develop strategies for market segmentation, positioning and targeting to streamline your marketing
- Gain exclusive access to a local, regional and national peer network to share practical challenges, ideas and experiences.
- Work with a mentor to develop a Growth Action Plan tailored to their business and its journey.
- Learn how to engage employees on the business journey and plan the structure of the organisation.
- Identify new technologies and digital approaches to enhance innovation and productivity in their business model.
- Improve operational efficiency to save time and money.

The course is 90% funded by Government meaning that participants pay just £750.

Eligibility Information

Leaders and senior management from businesses that have been operating for over a year with 5 – 249 employees are eligible. Businesses with 10 or more employees can register 2 people (must be leaders).

Hull City Council – Managed Workspace Centres

Project Sponsor: Hull City Council
Launch Date / Status: Live
End Date: Ongoing
Target Business Stages: Pre-Start, Start-Up, Established
Geographic Coverage: Hull

Support Available

By joining one of our MWC's you don't just get an office or workspace, you get a dedicated support team to help you to develop your business. We welcome all businesses of all sizes and at all stages. Working closely with businesses and understanding their needs to drive their business to the next desired stage is something that we thrive on providing.

The team are passionate and focused – delivering confidential advice to your business to help prevent failure and the struggles that businesses can come across. We advise businesses to help them grow.

MWCs warmly welcome businesses of all sizes and stages, with a primary focus on starter, small, and SME-type enterprises. We engage in a close collaborative approach to intimately understand their distinctive needs. Our hallmark is forging a tight-knit partnership with these businesses, navigating their unique challenges, and steering them toward their envisioned success—an integral aspect and cornerstone of our unwavering commitment.

We have three business centres located across the city of Hull:

- Louis Pearlman Centre – situated in the West of Hull
- Bespoke Centre - situated in the North of Hull
- Craven Park Enterprise Centre – situated in the East of Hull

Invest East Yorkshire – Business Centres

INVEST EAST YORKSHIRE

Project Sponsor: East Riding of Yorkshire Council

Launch Date / Status: Live

End Date: Ongoing

Target Business Stages: Pre-Start, Start-Up, Established

Geographic Coverage: East Yorkshire

Support Available

Encouraging new business and business growth within the East Riding is paramount to our work. As part of this ongoing commitment, we have invested in a range of modern business centres with office and workshop accommodation suitable for businesses at all stages: start-up, medium-sized and established.

Our business centre occupants share a stimulating, friendly and professional business environment with other dynamic companies. This gives the advantage of the collegiate support available within large corporations and allows excellent networking opportunities.

In uncertain times it is particularly important to be able to respond quickly to changes in business circumstances, and our business centre occupants can downsize or expand within a business centre without penalty and with ease. They can utilise the facilities of another business centre within the portfolio or move on, without further costs on the giving of one month's notice due to the flexible licence agreements we have in place.

To complement the offices and workshops we also have modern, inspiring meeting and conference spaces available to hire – whether it's an ad-hoc private chat, or a big group getting together, our business centres have adaptable space making us the ideal location for your next conference or event.

With 24/7 access, shared breakout and kitchen spaces, free onsite parking and a manned reception where your clients will be signposted in a professional manner; our business centres will provide the perfect place for you to start, grow or locate your business.

For details on further support / services available from Invest East Yorkshire, please view:

- Invest East Yorkshire – Business Support Service (page 14)
- Invest East Yorkshire – Inward Investment (page 30)
- The Supply Chain Network (page 23)

Eligibility Information

We have business centres located in Bridlington, Driffield, Beverley, Market Weighton, Brough, Hessle and Goole. All businesses are eligible to take space, excluding those in retail and the motor industry.

Ergo Business Centre at Hessle is sector specific and we would be looking to accommodate businesses directly involved or in the supply chain to the low carbon / renewable sector.

MC4C - Making Changes for Careers

Project Sponsor: Hull City Council
Launch Date / Status: Live
End Date: Ongoing
Target Business Stages: Pre-Start, Start-Up
Geographic Coverage: Hull

Support Available

Making Changes for Careers is an enterprise programme that has experience and success in supporting young people aged 16 to 29 to start their own businesses and realise their entrepreneurship ambitions.

Through our Business and Big 13 Enterprise Skills sessions, it helps develop the knowledge and skills needed to start-up and function in the business world.

Training sessions cover getting started, structures, tax/HMRC, finances, marketing and mental wellbeing.

There is also a possible opportunity to access a test market grant, thanks to funding from UKSPF and the John Cracknell Youth Enterprise Bank, an organisation that has supported hundreds of Young Entrepreneurs.

Young people will have the opportunity to access an experienced business mentor, who will be on hand to offer expert advice and guidance.

Eligibility Information

Young entrepreneurs between the ages of 16 and 29, who are at pre-start or start-up stage, or in the early stages of a business start-up journey

The Employment Hub

Project Sponsor: Hull City Council
Launch Date / Status: Live
End Date: Ongoing
Target Business Stages: Established
Geographic Coverage: Hull

Support Available

The Employment Hub provides a comprehensive range of recruitment and employability services to support businesses across the Hull area. If you are looking to attract and recruit staff, we can help you reach suitable candidates quickly and effectively.

We can promote your vacancies directly to our customer base within the Employment Hub as well as to a wide network of partner organisations across the city. This ensures your opportunities reach individuals who are actively seeking employment and have been supported to become job-ready.

Our team can arrange and manage a tailored **Meet the Employer** event on your behalf. Events are held at the Employment Hub, located within Hull Central Library, and are **offered to businesses at no cost**.

During an event:

- Your organisation will host and engage directly with candidates
- You can discuss available roles, expectations, and next steps
- Our advisors will ensure suitable candidates are sourced and supported to attend

We take care of planning, promotion, and organising; allowing you to focus on meeting new employees.

What Your Business Can Expect

- **Free candidate sourcing** aligned to your job requirements
- **Tailored promotion** of your vacancies to relevant audiences
- **Pre-screened candidates**, improving the quality of applicants you meet
- **A central, accessible venue** for engaging with jobseekers

Eligibility Information

Open to all businesses. All our services are provided completely free of charge

Knowledge Transfer Partnerships (KTP)

Project Sponsor: University of Hull (for Hull & East Yorkshire)

Launch Date / Status: Live

End Date: Ongoing

Target Business Stages: Established, Scale-up

Geographic Coverage: Hull & East Yorkshire

KNOWLEDGE TRANSFER PARTNERSHIPS

Support Available

A Knowledge Transfer Partnership (KTP) is a UK government-supported initiative, that enables businesses to overcome strategic challenges and accelerate innovation.

A KTP is a three-way collaboration involving your business, the University of Hull, and a qualified graduate who works full-time on your innovation project. The university provides academic expertise and research support, while the graduate - employed as a KTP Associate - delivers the project within your organisation. This partnership allows your organisation to access specialist knowledge, research, and technology that may not be available internally, helping you develop new products, services, or processes that drive growth.

The University of Hull supports you throughout the process, from project scoping and funding applications to delivery and evaluation. KTPs typically run for 12 to 36 months, depending on the scope and complexity of the project.

Eligibility Information

KTPs are proven to improve business performance, increase productivity, and support long-term growth. The programme is funded by Innovate UK with the company partners contributing financially, depending on their size. Funding covers a significant portion of the costs:

- Small to Medium-sized Enterprises (SMEs): Up to 67% grant funded
- Large Businesses: Up to 50% grant funded

Start Up Loans

Project Sponsor: British Business Bank
Launch Date / Status: Live
End Date: Ongoing
Target Business Stages: Pre-Start, Start-Up
Geographic Coverage: Hull & East Yorkshire

Support Available

A Start Up Loan is a government-backed personal loan available to individuals looking to start or grow a business in the UK. In addition to finance, successful applicants can receive 12 months of free mentoring and exclusive business offers to help them succeed.

The loan is unsecured, so there's no need to put forward any assets or guarantors to support an application. All owners or partners in a business can individually apply for up to £25,000 each, with a maximum of £100,000 available per business

- Borrow up to £25,000
- Fixed interest rate per annum (per year)
- Repay the loan over a term of 1–5 years
- No fees for arranging the loan or paying it back early
- Support with writing business plans and cash flow forecasts
- 12 months of free mentoring once you receive a first loan
- A range of useful templates and how-to guides

Start Up Loans is administered by British Business Bank but delivered through various partners which the website will direct them to dependent on location and business circumstance.

Eligibility Information

You can apply for a Start Up loan if:

- You're 18 years of age or older
- You're a current UK resident, and have the right to work in the UK
- You're starting a new business or have been trading for up to 60 months (five years)
- You're unable to secure finance from other sources (self-declaration is ok)
- Your business is based in the UK
- Your business type and loan purpose is eligible under terms of the scheme
- You pass credit checks and you can afford to repay the loan

Sirius

Project Sponsor: Sirius
Launch Date / Status: Live
End Date: Ongoing
Target Business Stages: Pre-Start, Start Up, Established
Geographic Coverage: Hull & East Yorkshire

Support Available

Sirius is a Department of Business & Trade approved Local Enterprise Agency, and part of The National Enterprise Network offering free business advice, support and on-going mentoring to the self-employed and businesses situated in Hull and the East Riding of Yorkshire.

With more than 24 years of operation we have financially assisted approx. 390 businesses which has helped create approx. 1,950 jobs. In addition to that number, we have also assisted approximately 300 further individuals or businesses per year with our free, qualified, advice and support to either start up, or grow their businesses. That's over 7,000 self-employed or businesses!

Sirius, over the last 24 years has loaned over £3,200,000 to new and existing businesses to help with starting up and expansion. From this we have levered over £11,000,000 of traditional funding.

We would conservatively estimate that we have helped well over 12,000 local people to either set up their own business, grow or expand their business, or become self-employed. An accurate count of the jobs created is anyone's guess, but we would consider it to be over 15,000!

At Sirius Business Centre in Hedon, we have met with over 12,000 people on a one to one basis, offering free business start-up support, advice, & planning - with qualified advisors. We can support with:

- Help with business plan compilation
- Market research
- Free business advice & planning strategies for growing/expanding your businesses
- Business loans
- Investment readiness & cashflow planning
- Help with grant applications & information
- Finance procurement
- Liaison with banks & other agencies
- Advice & negotiation for property
- Acting as an information gateway
- Sourcing specific training
- Marketing and planning
- Tax & skills advice
- Health & safety support
- Mentoring & support for existing companies
- Financial advice in disputes, ombudsman, factoring,

-
- Cash flow planning & debt recovery
 - Networking support

Eligibility Information

Pre-start, Start-up, or established businesses looking to grow based in Hull or East Yorkshire.

Northern Powerhouse Investment Fund II (NPIF II)

Project Sponsor: British Business Bank
Launch Date / Status: Live
End Date: Ongoing
Target Business Stages: Start-Up, Established, Scale-Up
Geographic Coverage: Hull & East Yorkshire

Support Available

The Northern Powerhouse Investment Fund II will build on the success of the first Northern Powerhouse Investment Fund and will deliver a £660 million commitment of new funding to smaller businesses. The fund aims to drive sustainable economic growth by supporting innovation and creating local opportunity for new and growing businesses across the North of England.

The Northern Powerhouse Investment Fund II offers a range of commercial finance options with smaller loans and debt finance from £25,000 to £2 million and equity investment up to £5 million. The fund covers the whole of the North, including rural, coastal and urban areas, and will increase the supply and diversity of early-stage finance for smaller businesses across the North of England, providing funds to businesses that might otherwise not receive investment and helping to break down barriers in access to finance.

The fund offers three different commercial finance options designed to tackle identified funding gaps across the North of England:

Smaller Loans

- Loans of between £25,000 and £100,000
- For new or growing businesses
- By fund manager Business Enterprise Fund - [BEF | Business loans up to £250,000 \(befund.org\)](#)

Debt Finance

- Loans of between £100,000 and £2 million
- For businesses that can demonstrate growth potential
- By fund manager Mercia Asset Finance - [Northern Powerhouse Investment Fund II - NPIF \(mercia.co.uk\)](#)

Equity Finance

- Equity investment finance of up to £2 million
- Early stage equity funding
- For businesses with ambitious growth plans
- By fund manager Mercia Ventures - [Northern Powerhouse Investment Fund II - NPIF II Equity Finance \(mercia.co.uk\)](#)

The NPIF II funding options can support businesses with a range of business development projects, including:

Funding expansion projects	Leasing new commercial premises	Making asset acquisitions
Hiring a new team	Purchasing new machinery or equipment	Launching a new product or service

Eligibility Information

Businesses based within the Northern Powerhouse area may be able to apply, subject to specific eligibility criteria set by the fund managers. From start-ups to those with expansion and growth plans, if a business can demonstrate growth potential, it may be eligible to apply.
